

# MaxiGuard Silicone Half Mask

**R7500**

This half facepiece reusable respirator R7500 Series uses advanced silicone material to help provide comfortable and durable respiratory protection. The valve helps make breathing easier and can reduce heat and moisture build-up for cool, dry comfort.

## Product Features

- Advance silicone material for increased comfort and greater durability
- Proprietary valve helps makes breathing easier
- Dual-mode head harness adjusts easily for either standard or drop-down mode
- Exhalation valve cover directs exhaled breath and moisture downward to reduce fogging
- Certified to AS/NZS 1716:2012
