

P2 3-Panel Flatfold Respirator

Features & Benefits

- Unique 3-panel design fits a wide range of face shapes and sizes, accommodates facial movements and makes the respirator easy to talk through
- Sculptured nose panel provides excellent field of vision and improves compatibility with eyewear
- Hygienically packaged in a sealed bag to protect from contamination prior to use
- Foldable, easy to store design
- Tested and certified to Australian Standards AS/NZS 1716:2012
- Breathable nose cushion reduces sweat levels when worn over a long period of time
- No glue used in mask construction reducing odour in hot conditions

Applications

- Medical
- Grinding
- Sanding
- Dusty environments
